

EUROMAX ANNOUNCES TRADING ON THE OTCQX IN THE UNITED STATES

Euromax Resources Ltd. – Vancouver, August 5, 2016 (TSX:EOX; OTCQX:EOXFF): ("Euromax" or the "Company") is pleased to announce that the Company's common shares were qualified for trading today on the OTCQX[®] Best Market, a top tier public market in the United States, under the symbol "EOXFF".

Euromax has recently graduated to the Toronto Stock Exchange ("TSX") and will continue to trade on the TSX under the symbol EOX.

Berns & Berns will serve as Euromax Resources' OTCQX Advisor, responsible for providing professional guidance on OTCQX requirements.

Commenting on this announcement, Steve Sharpe, President & CEO stated:

"Having recently graduated to the main board of the TSX, we felt that it was important to also be part of a US market commensurate with that, as we raise awareness of Euromax in the U.S."

US Investors can find current financial disclosure and Real-Time Level 2 quotes for the Company at www.otcm Markets.com/stock/EOXFF/quote.

About Euromax Resources Ltd.

Euromax has a major development project in Macedonia and an exploration services company in Bulgaria. We are focused on building and operating the Ilovica-Shtuka copper/gold project in Macedonia, as well profitably deploying the wealth of exploration experience within our Bulgarian Exploration Services subsidiary.

Forward-Looking Information

This news release contains statements that are forward-looking, such as those relating to results of operations and financial condition, capital spending, financing sources, commodity prices, mineral resources and property evaluation plans and programmes. Forward-looking statements are frequently characterised by words such as "plan", "expect", "project", "intend", "believe", "anticipate" and other similar words, or statements that certain events or conditions "may" or "will" occur. Forward-looking statements are based on the opinions and estimates of management at the dates the statements are made, and are subject to a variety of risks and uncertainties and other factors that could cause actual events or results to differ materially from those projected in the forward-looking statements. The forward-looking statements contained in this document are as of the date of this document, and are subject to change after this date. Readers are cautioned that the assumptions used in the preparation of such information, although considered reasonable at the time of preparation, may prove to be imprecise and, as such, undue reliance should not be placed on forward-looking statements. Euromax disclaims any intention or obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.
