CAUTIONARY STATEMENT REGARDING FORWARD-LOOKING INFORMATION

This news release contains forward-looking statements. Forward-looking statements are statements that relate to future events or financial performance. In some cases, you can identify forward-looking statements by the use of terminology such as “may”, “should”, “anticipates”, “believes”, “expects”, “intends”, “forecasts”, “plans”, or the negative of these terms or similar terminology. These forward-looking statements speak only as of the date of this news release and are based on current expectations of the Company’s management. These forward-looking statements are only predictions and are subject to known and unknown risks, uncertainties and other factors, including: the possibility that the nominees of the Dissident will be elected, general economic and business conditions, risks associated with the exploration and development activities of the Company, competition for materials, equipment, qualified personnel and service providers, technological changes and developments in the industry and regulatory uncertainties and potential environmental liabilities. The Company cautions that the list of risks and assumptions set forth above is not exhaustive. All forward-looking statements in this news release are qualified by these cautionary statements. These risks, as well as risks that the Company cannot currently anticipate, could cause the Company actual results, levels of activity or performance to be materially different from any future results, levels of activities or performance expressed or implied by these forward-looking statements. Except as required by applicable law, the Company does not intend to update any of these forward-looking statements.
